## 9 We're not Robots

You call, we answer. No automated message systems. No voice recognition services. Just a friendly, flesh-and-blood person to greet you.

## 8 We Speak Your Language

English, Spanish, Mandarin, Cantonese, Taiwanese  
...and even a little Pig Latin.

## 7 We're Superheroes

If you want a policy change, have a billing question or need an expedited claim, we'll come to your rescue. Some of us even wear capes to work on casual Fridays.

## 6 We're Special

All the insurance companies tell us so. Our reputation means we can negotiate with underwriters on your behalf, even if you have special circumstances.

**5 We're Free** We'll search all the best companies to get you the best rate and coverage. And, unlike some brokers, we never charge a fee up front.

## 4 We're Easy

Easy to get a hold of. Easy to talk to. Easy to deal with. We make the application and billing process simple and we're not afraid to give out a free handshake to seal the deal.

## 3 We Pay YOU

Send a friend our way and we'll return the favor with a sweet referral bonus.

## 2 We're Experienced

For the past ten years we've been in bed with the hottest insurance companies around.  
Call us for a good time.

## 1 We Can't Sing

Seriously, this is our day job and we're never going to win American Idol.  
We need your business and we'll prove it every step of the way.
